Cheops Pyramid, the largest of the three, was built in the 3rd dynasty about 2690 B.C. and is one of the Seven Wonders of the Ancient World. In front of the Pyramids of Chephren, we will find the colossal statue of the Great Sphinx, which has stood guard over the pyramids for more than 4,500 years. During our Pyramids visit you will have a chance to ride a camel near the pyramids (optional). Visit the Tomb of Ptah-hotep, author of the oldest surviving book in the world, circa 2350 BC. Return to our hotel for dinner and overnight.

## DAY 8 - WED OCT 7: CAIRO

This morning we drive in to Coptic Cairo, where we will visit the most famous site, the Church of the Virgin Mary, better known by its nickname, the Hanging

Church. This name comes from the fact that it was built atop the walls of the 4th century BC Roman fortress of Babylon, the remains of which are still visible about Coptic Cairo. We will continue to the Church of St. Sergius, a 5th century Coptic Church dedicated to two Martyrs (Sergius and Bacchus) traditionally believed to have been built on the spot where the Holy Family rested at the end of their journey into Egypt. As we stroll along, we will come to the recently restored Synagogue of Ben Ezra, which marks the place where Moses was saved by the water girl of the Pharaoh. This afternoon we proceed to the Egyptian museum, home to 120,000 Egyptian artifacts, although it should be noted that not all items are on display. Some passengers may want to spend their time here while the rest can visit the Grand Bazaar for shopping of all types of Egyptian souvenirs. At the museum there is an entire section within the museum which has been dedicated to the boy king, Tutankhamen. He is after all the most famous of all the Egyptian pharaohs. This area features the famous Tutankhamun collection with its beautiful gold death mask and sarcophagus and the royal Mummy room, which houses an additional eleven Pharaonic dignitaries. Dinner and overnight at our hotel this evening.
